Garden Club *Anne Holway*

The October meeting will be at 7.30 p.m. on Thursday 24th at Sou West, Park Cottages and will be a social evening with wine, nibbles and a 'fun' quiz!

Shelley Hutcheon adds-

1st September saw the Garden Club present The Annual Produce and Flower Show in the Village Hall and what a brilliant day it was!

So many amazing entries from all over the village, and then a wonderful prize giving and cream tea in the afternoon. Thanks must go to our judges who have the near impossible task of picking winners from so many classes - this event would be impossible without you all and their trusty scribes!! Also, many thanks to Oli at How Now Dairy who very generously donated the milk and cream for the teas. Our main thanks must go to all those who entered their produce, cooking, flowers and crafts - it makes me very proud to see this tradition of a proper village show still flourish. Does anyone know how long it has been running for? One of the cups dates back to 1974 so that's 45 years! Let me know of any memories from further back for next month's newsletter! Profits went to The Garden Club (£100) for speakers for the coming year and The Village Hall (£140.00 which includes the hire).

Thank you again to all for your help and support.

PANTO SEASON AGAIN..... ALREADY!

September saw the start of a new school year and we were met with both new and familiar faces full of excitement and news from the summer. The new children and members of staff have been welcomed and settled quickly. Naomi and Sarah have been spending some time in Miss Warley's class to help the transition to school for those children who left us at the end of the summer term. This has worked well and is greatly appreciated.

We have been exploring the outdoors and picking blackberries which we then used to make blackberry and apple crumble which was enjoyed by all. We have also restarted forest school, keeping busy in the mud kitchen and learning about the different sounds, smells and sights of the outdoors.

The children have been amazed at the changes they have seen in their sunflowers that they planted before the holidays. They are huge!

Bittaford News- *Susan and Jonathon Bell*

We've created a new Facebook page to share information about Bittaford pop up cafe and other things happening in and around the village, and also to provide an opportunity for people to share ideas about other ways to bless the community. (One idea that has come up recently is the idea of an environment day, which we have started to think about - perhaps for October). (*see Stop Press!*)

We've called the page Love Bittaford (follow link below).

fb.me/love.bittaford

If you'd like to stay in touch through the FB page or communicate on other local activities, all you need to do is 'like' the page.

As always, please don't hesitate to get in touch if you have any questions / ideas

Ugborough Local History Group- *Merryl Docker*

Join us on October 30th at 8 p.m. in Ugborough Village Hall for an amble around The Italian Gardens at Ambrook, an illustrated talk by Angela Dodd-Crompton. This fascinating talk was given a while ago to the Ugborough Garden Club and was so good I thought our History Group friends would enjoy it too! So, come along and invite anyone you know who may be interested, it is such a fascinating story. Members, free of charge, non-members just £4 on the door. Membership for the year is just £10 for entry to 8 diverse topics with an historic theme. We are a non-academic group who enjoy getting together once a month to learn more about the beautiful area we are so fortunate to share. See you on 30th.

Rainfall at Shellwood Hill *George Arnison*

During August I recorded 121.5mm (just under 5") of rain at Shellwood Hill - thanks in most part to a couple of particularly wet days in the middle of the month. This was slightly under my ten- year average of 134mm for August...though fairly typically it was the wettest month since March !

Beryl's Bookworms – *Juliet Collis*

Our September book was *The Girl in the Fog* by Donato Carrisi, translated from the Italian by Howard Curtis. The book was set in a small remote alpine village, where 62 days previously, just before Christmas, a teenage girl had gone missing. The story starts at day 62 where a famous detective who had previously been investigating the girl's disappearance, was found after a suspicious car accident with blood on his clothes. The police had taken him to a local psychiatrist as they wanted to know if he was telling the truth about the accident. Described as a psychological thriller, the events relating to the missing girl then start to unfold, but the chapters are not sequential, darting between the days before the disappearance and part way through the investigation, before finally returning to day 62 where the story started.

The investigation by the famous detective with a dubious past, having planted evidence in an earlier case to gain a conviction which was subsequently overturned, involved the manipulation of the media with searches of the local area and the creation of a shrine outside the girls house, in order to create a big news story. He is desperate to solve the mystery and restore his reputation, but sadly the fate of the missing teenager is largely forgotten with the unfolding events. There are lots of shifts in time and narrative which created suspense, but the ending was quite a surprise to all and not at all satisfactory. The author is a screenplay writer, so may have had the subsequent film more in mind when devising the plot.

There was mixed opinion from the group, with scores ranging between 1 and 4 out of 5, averaging at 2.5, which reflected the mixed reviews published online. For next month we will be reading *Home Fire* by Kamila Shamsie.

Ugborough Sustainable Saturdays – *Sarah Scanlon*

USS appeals to many different people and we all get something different from attending. Having just returned from a very busy USS, I am delighted that I have a new book to read from the Bring and buy table, a loaf of walnut bread to enjoy and local sausages for breakfast but I also spent a couple of hours catching up with friends and seeing people I do not usually bump into in the village.

So many people get so much from turning up to Ugborough village hall every alternate Saturday and there is a real sense of community spirit there.

Faith has got off to a good start with many people interested in being part of a village sustainable development group and we are all delighted with the ideas people have come forward with to create a greener Ugborough – see article below.

The bring and buy table has been raising money for Ambulance first response and the local citizen's advice. During the month of October, the money raised will be donated to the annual shoe box appeal and November's collection will be for the Senior Citizen's Christmas meal. Any unwanted items are very welcome and thank you in advance for supporting this venture.

The much-awaited Pot-luck supper will be on the evening of October 26th so get ready for the quiz and the generation game type activities planned. Details to follow.
Dates for USS are October 12th, 26th
After 4 years being at the helm, it is time to say that the post of Chair has become available. If anyone is interested please contact me.

Tuesday Luncheon Club

The next TLC will be held in the village hall on October 22nd. All are welcome to come along for a 2-course hot luncheon for the amazing cost of £5. Soft drinks are included but you can also bring your own drinks along.

We are open from 12 noon and will serve the meal at 12.30.

If you would like more information, and to book your place please call Val on 01752894973 or Sarah on sjascanlon@btinternet.com. before Friday 18th October. Everyone is welcome but do let us know you are coming!!

The TLC team

'Sustainable Ugborough' Faith Matthews

Thank you so much for all the interest expressed in this new broader sustainability movement for the Parish! We've been talking to people at USS where we've already received a wealth of 'green ideas for here' on our brainstorming board.

This evolving group will continue to have a presence at USS – come and talk to us! If you are interested in getting involved it's an ideal time to do so as we pool ideas, explore local skills and connections we could draw upon and develop a shared vision for the group.

If we don't catch you at USS, feel free to email msfaithmatthews@yahoo.co.uk for more info.

Eighteen members of the public attended the start of the September Parish Council Meeting, and space was tight in the Committee Room!

Questions related to feedback on development proposals and highway concerns. In particular, the A3121 Ludbrook junction where visibility was poor and traffic fast; the proposed lamp post on the verge at Undertown – DCC Cllr Hosking would consult the engineers about a suggested wall light or reduced height lamp post by the bench; and a 20mph speed limit for Ugborough – Cllr Hosking confirmed that speed tests were planned and a 20mph zone may be introduced if appropriate.

4. Householder application for garage and workshop to replace existing garage at The Mill, Marridge Farm, Ugborough Ref [2550/19/HHO](#) **Neutral**
5. Application for reserved matters relating to details of layout, scale, appearance and landscaping and discharge of pre-commencement conditions 3, 8-16, 19, 21, 27 & 28 following outline approval 57/2472/14/O for 198 new homes, public open space with associated road infrastructure, access, parking and other utilities and services at Land at SX647 563 Off Rutt Lane, Ivybridge Ref [2239/19/ARM](#) **Object. No infrastructure, employment land nor open space. Does not include road safety improvements through Bittaford or Wrangaton, nor access onto the A38 from the East of Ivybridge**
6. Alterations and extension to existing dwelling house to include rebuilding of existing retaining boundary wall at Windbells, 5 Highfield Terrace, Bittaford Ref [0366/19](#) **Neutral. Prefer a more traditional design**
7. Variation of conditions 4 & 5 of planning consent 57/1308/11/F (Change of use of land to provide all weather sand school, erection of barn and creation of hard standing and storage area) to use as private business property providing therapy and training to equines at Land at Sx 666 559, Upper Lordwood Stables, Ugborough Ref [2188/19/VAR](#) **Support**
8. Variation of conditions 2 on approved application 57/1920/12/F (Retrospective application for change of use of land to equestrian use and erection of security storage unit and horse exercising unit) to use as private business property providing therapy and training to equines at Land at Sx 666 559, Upper Lordwood Stables, Ugborough Ref [2190/19/VAR](#) **Support**

The Budget received its six months review, and I note that not many grants have been made – although Modbury Caring was awarded £100 at the meeting. If your community group needs grant support, have a look at our Grant Aid Policy at

Ugborough Parish Council will not be buying the public toilets in Bittaford & Ugborough!

This momentous decision has been made after SHDC confirmed they would not be undertaking outstanding repairs and disabled improvements prior to the transfer. Also, they would impose a 75% 'overage', which meant that, if the Parish Council tried to sell or lease part of the property in order to finance the maintenance or improvements of its toilets, then

SHDC would take 75% of the proceeds! Councillors reasoned that, at community events in the Square, portable toilets could be hired.

Defibrillator Training is to be held at Bittaford Community Hall at 7 p.m. on Wednesday 9th October. Let me know if you wish to attend – we now have defibrillators in Ugborough, Bittaford, Moorhaven & Wrangaton – and your training could save a life!

Complaints have been received of overgrown hedgerows, so now is a timely reminder of landowners' obligations. Hedges are overgrown if they are more than 1 metre over the carriageway or forcing vehicles over a centre line. Depending on the use of the road, DCC can ask for trees to leave a 5.03m clearance above the carriageway. If the landowner fails to act on a DCC notice, then DCC can carry out the work and reclaim the cost. Use the DCC website <https://www.devon.gov.uk/roadsandtransport/report-a-problem/> to report a problem.

A3121 proposals will have been decided by the DCC Cabinet by the time you read this Newsletter. Councillors considered that money allocated for squaring up junctions would be better spent on a roundabout at Kitterford Cross, or at least a staggered junction. Speeds could be reduced by a combination of signage and rumble strips.

CrimeStoppers has proved very effective in fighting crime. It promises to be 100% anonymous, and you can contact it on crimestoppers-uk.org or 0800 555111.

The next Parish Council Meeting will be held on Wednesday 2nd October, starting at the earlier time of 7 p.m. Agenda and minutes will be displayed on the noticeboards and website. *Privacy policy – visit ugboroughparishcouncil.gov.uk*

Marie Curie Dementia Befriending Service- Albert Ward- Project Support Office(Temp)

Marie Curie are launching a new Dementia Befriending service soon covering South Devon and Torbay and are currently recruiting volunteers. We're looking for friendly and reliable volunteers to support people living with dementia, their families and carers. As a volunteer you will take on a number of simple yet crucial tasks that will make a huge difference, this could be in a family's home, a care home or out in the community. You will provide one-to-one companionship and support, offer a listening ear, and spend time engaging in everyday conversation, activities or hobbies with the person you are supporting. We will provide you with all the training you need so you can take on the role confidently. If you can spare a few hours per week and would like to support someone living with dementia please call 0800 304 7400 to find out more about the role and how to apply.

St. Peter's Church, Ugborough- Peter Povey

Now that the project for the re-casting of the Bells of St. Peter's Church is complete, and Bellringing is safeguarded for generations to come, the Parochial Church Council needs to address other issues facing the thousand-year-old Church building.

In 2014 it obtained grants for the repair of the North Aisle Roof, especially from the *Heritage Lottery Fund*. This was the second phase of a projected extended programme, and it is now time to turn towards implementation of the third phase. This involves repairs to the internal and external walls of the Church, particularly to the Chancel, the South Chapel and the South Aisle, where there is significant fungal growth in the wall plaster; stabilisation of the medieval wooden roof bosses; window repairs; and the introduction of an adequate heating system. Those readers who visit the Church in the late Autumn, Winter and early Spring will be familiar with the cold and damp during these seasons.

The proposed new heating system has been designed to make the Church comfortable year-round for worship and community events, whilst contributing to the preservation of the building. Running parallel with the building works, the Church Council wishes to foster greater appreciation of the heritage of Ugborough's oldest building, and enhance the visitor experience

A Faculty approving the proposed works has been issued, and the Parochial Church Council has started to apply for funding to grant-giving bodies towards the £400- 450k needed for implementation. Already the Devon Historic Churches Trust has given a grant to the Church. A Consultation Document has been produced on the proposals, and this has been distributed widely to organisations within Ugborough Parish and beyond.

Readers who would like to have their own copy can collect one from the North Porch of St. Peter's Church, or email me on povey.peter@googlemail.com and I will send out an electronic copy.

Samaritan's Purse Operation Christmas Child 2019 Shoebox Appeal - Kate Brampton

Each year Ugborough and its surrounding area have supported this Appeal – if you, or a group of you feel able to support this appeal this year for needy children and young people overseas by filling a shoebox (or part of a shoebox, or a donation of some shoebox items or money) for Christmas it would be much appreciated.

In 2016 32 Gift Boxes went to Belarus, in 2017 42 Gift Boxes went to Albania and in 2018 48 Gift Boxes went to Bulgaria.

A shoebox can be for a boy or girl for age groups 2 to 4, 5 to 9 and/or 10 to 14 years old. Items to be provided can include new toys, school supplies, hygiene items etc – more detail is provided in the leaflets (this year, changes include no toothpaste, liquids or sweets). There is also opportunity to donate towards the suggested £5 donation required for each box including shipping.

Leaflets and shoeboxes will be available at the back of the Church from the beginning of October 2019 and at the two USS Markets (Village Hall) during October 2019.

Filled shoeboxes including the £5 donation can be expensive to do on an individual basis, so if you want to support by donating just one or two items or a monetary donation, there will also be a collection box at the above locations.

Shoeboxes should be filled and **returned by the end of October 2019** to the back of the Church, a USS Market (12th and/or 26th October 2019) or to Kate Brampton at Hill House, Ugborough (opposite Village Hall).

The shoeboxes will be blessed during a Church Service in early November 2019 before they start their journey.

Whilst we won't know which country(ies) the shoeboxes will go to before they start their journey, where registered online they will be tracked again so we can be informed which country(ies) they go to after they are delivered.

Thank you for your support.

Yealm Rouleurs Cycling Club

A cycling club for people who don't want to join a cycling club!

Do you squeak when you pedal?

Bike in need of some TLC? Members of the Yealm Rouleurs Cycling Club are running a free bike maintenance afternoon on October 12th in the Methodist Hall in Yealmpton 1200-1400. Pop in at any time with your bike and any issues and we will mend it if we can or advise accordingly. We can fit parts too if you have them. Open to non-members; kid's, road and mountain bikes.

Autumn cycling

No need to stop cycling when the weather turns, the Yealm Rouleurs Cycling Club ride all year around. We meet every Saturday, outside the Yealmpton Post Office at 8:30am once the clocks change, then ride to the next meeting point at Ermington Primary School, then set off for our ride at 8:50am and back by 12ish depending on the route. All Saturday rides have a coffee stop. ☺

Taster sessions

For those who would prefer a less challenging start, we also run taster sessions once a month on the 2nd Tuesday night of the month and Saturday taster session the 2nd Saturday of the month. Open to all but aimed specifically at those who are unsure about group riding and want to try it out and perhaps join the club. We don't leave anyone behind, we re-group at every junction.

Autumn rides- October

All rides leave from Yealmpton post office.

Every Saturday group rides leaving Yealmpton post office 0800

Plus

Tuesday 8th Oct social taster ride to The Anchor in Ugborough 1900

Saturday 12th Oct - bike maintenance in Methodist Hall, Yealmpton 1200-1400
